

SIMPATIC.US

The simpatic.us Intimate Interests Questionnaire has more than 180 categories of potential interests and activities. With multiple answers per category, the questionnaire offers couples more than 800 unique options. Here are just 30 of the 180+ categories we use to match only the interests both people share.

If it's not a match with your partner, no one knows how you responded.

Talking Dirty

Blindfolds

Massage

Boots

Eye Glasses

1950s Lifestyle (Role play or living arrangement in which one partner is mostly domestic - cooking, cleaning, etc. Cooking in an apron and heels, for example)

High heels

Voyeurism (watching live sex acts - not porn)

Exhibitionism (being watched either individually or together, while having sex)

Open relationship (One or both partners to have sexual relations with others)

Gags

Candle wax (dripping hot wax)

Hair pulling

Lace and lingerie

Total Power Exchange, Dominance and submission (Assuming a relationship status, lifestyle in which one partner is always in control - dominant - and the other takes direction - submissive)

Teacher/student role play

Maid or domestic servant role play

Rough sex, rape or non-consensual play

Depilation/Shaving

Clothing ripping

Group sex (Adding participants to sex acts)

Erotic fiction

Boss/secretary Play (Play in which a partner dresses or acts like a boss while the other dresses or acts like a secretary or subordinate. Could also include having sexual contact in an office setting)

Strap-on (A sex toy that you can be worn and used like a penis)

Oral fixation (Desire to have something in your mouth often - such as candy, gum. Also sexually suggestive eating such as bananas or lollipops. Or arousal from watching these)

Strip clubs, gentleman's clubs

Butt plugs (Toys inserted in the anus, usually for long durations. Princess plugs.)

Remote control devices (Usually vibrating)

Choking (Simulated or light actual choking, usually by hand)

Sophosexual (Arousal from intellect or intelligence or someone soul or spirit as opposed to primary physical qualities)
